This Policy applies to interpersonal and electronic communications, such as email, internet and the intranet (Pipeline).

This Policy is intended to supplement any other requirements imposed by applicable legislation and does not replace legislation. If any part of it is in conflict, then legislation takes precedence.

RESPONSIBILITIES

Everyone who works for the City has a responsibility to ensure that the workplace is free of discrimination and Workplace Harassment. The City, Managers, Supervisors, Employees and Investigators all play important roles in this matter:

- a) Administration will:
 - i) Provide timely advice to managers and supervisors respecting the application of this Policy including guidance on an appropriate Employer response to breaches of the Policy; and
 - ii) Ensure all Employees are made aware of the Policy and the expectations for a Respectful Workplace.

 - iv) Deal with breaches of this Policy in a timely manner taking the appropriate action based upon the facts and circumstances; and
 - v) Respond promptly to any complaint, formal or informal, of discrimination or workplace harassment.

Nothing in this Policy is intended to reduce the rights and responsibility of a manager or supervisor to appropriately and in good faith, manage the work performance of individuals in their work teams.

- c) Employees will:

- i) Conduct themselves in a respectful and appropriate manner in the workplace and at work-related gatherings;
 - ii) Contribute to a work environment that is free of discrimination and Workplace Harassment,

- i) Gather all required information to conduct a full and comprehensive investigation;
 - ii) Complete the investigations free from bias;
 - iii) Provide follow up and recommendations to assist in eliminating reoccurrence; and
 - iv) Ensure investigation procedures are followed.

A. PROCEDURE FOR REPORTING INCIDENTS

The intent of the complaint procedure is to be flexible enough to apply to all situations under this Policy.

1. A person who feels they are the subject of discrimination or Workplace Harassment should first speak to the person whose behaviour offends the intent of this Policy if it is reasonable and safe to do so.
2. If the Employee is uncomfortable speaking to the alleged harasser, or if they have done so and the unwelcome behaviour continues, the matter must be reported to their Manager.
3. Where the Manager is the alleged harasser, the Department Head, the Director of Human Resources or the Deputy Chief Administrative Officer will assist in receiving and following up on incidents and reports.
4. Information which is provided by the individual regarding the behaviour(s) complained of must be detailed and specific. Employees should report incidents or complaints of discrimination or workplace harassment on a RESPECTFUL WORKPLACE COMPLAINT FORM (Appendix A). When verbally reporting, the Manager, along with the Complainant, will fill out the complaint form and the Complainant shall sign it.

5. Incidents or complaints should be reported as soon as possible after experiencing or witnessing an incident. This allows the incident to be investigated and addressed promptly.
6. Physical or sexual assault is an offense under the *Criminal Code of Canada* and will be reported to the RCMP.

B. PROCEDURE FOR INVESTIGATING INCIDENTS

a) Internal Complaints

Prior to commencing a formal investigation, the City will explore opportunities to address the complaint through informal means, such as coaching, mediation, or other measures that are acceptable to both the Complainant and the Respondent.

If a complaint cannot be resolved informally, a formal investigation will be initiated. The purpose of the investigation is to ascertain and review the facts related to the complaint, and determine if discriminatory or Workplace Harassment has occurred; has the Policy been breached.

The process for investigating incidents and complaints of discrimination and Workplace Harassment will be:

- undertaken promptly and diligently, and be as thorough as necessary, given the circumstances;
- fair and impartial, provide both the Complainant and Respondent equal treatment in evaluating the allegations;
- sensitive to the interest of all parties involved;
- focused on finding facts and evidence, including interviews of the Complainant, Respondent, and any witnesses; and
- maintain confidentiality.

Most investigations at the City will be conducted internally. In complex or sensitive situations, an external investigator may be hired. The Chief Administrative Officer will be advised of the complaint and authorize whether the investigation will be conducted internally or externally.

The Director of Human Resources will be responsible for the investigation process. In his/her absence, the Chief Administrative Officer will appoint another qualified person to assume this role.

Investigations will include interviews with the Complainant, the alleged harasser (Respondent), and any witnesses. In accordance with due process, the Respondent will be provided with a copy of the complaint in order to respond to the allegations. If the Complainant and the alleged harasser agree on what happened, then the City will not investigate any further, and will determine what corrective action to take, if necessary.

A Complainant and a Respondent are each entitled to have a Support Person to voluntarily accompany them for emotional and moral support. The Support Person is not to talk for the party they are supporting, and information they are privy to must be kept confidential. It is not the role of a Support Person to search for witnesses or garner support for the Complainant or the Respondent.

The investigator will also review any evidence, such as emails, handwritten notes, photographs, or physical evidence like vandalized objects.

If an external investigator is hired, they will conduct investigations and provide a written report with conclusions to the Director of Human Resources.

At any time during the investigation, if the investigator feels it is appropriate, and both parties are agreeable, the investigation may be put on hold while the parties attempt to resolve the issue through mediation. If mediation is successful, the outcome will supersede the investigation. If mediation is not successful, the investigation will start where it left off. Information that comes to light as part of a failed mediation will be available to the investigator. Both parties will be provided with a document stating the outcome of the investigation once it is concluded.

Following an investigation, the workplace procedures will be reviewed and revised to prevent any future discriminatory or workplace harassment incidents in the workplace. Employees who have been involved in an investigation are welcome to provide feedback to the Chief Administrative Officer or the Director of Human Resources on how a problem or complaint was addressed.

If a complaint is substantiated, appropriate action(s) will be taken commensurate with the nature and severity of the offence, which may include discipline up to and including dismissal.

In appropriate circumstances, Employees may be referred to the Employee and Family Assistance Program or be encouraged to seek medical advice.

In appropriate circumstances, the City may provide additional support such as coaching, in-service training and/or internal or external expert intervention designed to bring conflict resolution skill and respectful workplace knowledge to the work unit.

b) External Complaints

If the Respondent is a member of the public, the City may not be able to compel them to participate in an investigative process. However, the Complaint will be looked into and if founded, steps will be taken to protect the Employee from future Workplace Harassment. These actions include providing the Respondent/member of the public with a notice that they need to be respectful in their interactions with staff and if they are unable to do so, they will be required to appoint an agent to communicate with the City on their behalf until such time that they can demonstrate a willingness and ability to be respectful in their communications – See Appendix C for a sample letter.

If the Respondent is displaying inappropriate, disruptive or aggressive behaviour that threatens the security and safety of staff or others at the Mission Leisure Centre or other City-owned facilities, the individual may be subject to suspension, banning or having a Trespass Notice issued in accordance with Policy PC-LAN.05 – See Appendices D, E and F.

C. RETALIATION IS NOT TOLERATED

Every Employee has the right to report, in good faith, any instance of discrimination or Workplace Harassment, without fear of retaliation. Retaliation in any form against any individual involved in complaint(s) or conflicts under this Policy by any party will not be tolerated, and will be subject to disciplinary action up to and including dismissal, revocation of privileges and/or cancellation of contract.

D. FALSE ACCUSATION

Where a complaint is not substantiated, and it is determined that the complainant deliberately made a false accusation, or acted in a malicious or vexatious manner, or to receive some personal benefit, disciplinary action may be taken against the complainant, up to and including dismissal, revocation of privileges and/or cancellation of contract.

E. CONFIDENTIALITY

To protect the interests of the individuals involved in conflicts and to improve chances of a successful outcome, confidentiality will be maintained throughout the resolution process to the extent practicable and appropriate. Information that must be shared will be disclosed on a 'need to know' basis only. This applies to any person having access to confidential information arising from a complaint or an investigation.

All complaints will be handled in a confidential manner. Except as required by due process of law, all written materials, including internal and external reports of any form, related to either the complaint, the investigation, the result of the investigation, and any actions, agreements or resolutions that result, will be treated as strictly confidential for all purposes, including any applications made under the *Freedom of Information and Protection of Privacy Act*.

Any breach of confidentiality will be considered a breach of this Policy will be subject to disciplinary actions up to and including dismissal, revocation of privileges and/or cancellation of contract.

F. RECORD KEEPING REQUIREMENTS

The City expects that Employees will keep written accounts of incidents to submit with any complaints. The Human Resources Department will retain a written record of investigations, including the findings; such files will be held in confidence.

Where a complaint is not substantiated, no documentation of the complaint will be placed on the personnel file of the Respondent.

If the parties agree to a resolution, the resolution will be recorded in writing, and the resolution document will be placed in a confidential file kept by the Human Resources Department.

G. TRAINING

Training for Employees will include the following:

- Defining discrimination, human rights, workplace harassment and acceptable behaviour;
- How to recognize discrimination, bullying and harassment;
- How to respond when discriminatory and harassing behaviour is experienced or witnessed;
- Procedures for reporting, and follows up with incidents or complaints;
- Documents/form review.

H. OTHER REMEDIES

Nothing in this Policy prevents Complainants from seeking other remedies including filing a grievance where appropriate or filing a complaint with the BC Human Rights Tribunal.

This Policy will be reviewed every year and all Employees will be provided with access to a copy.

Category: Land Use	Number: PC-LAN.05	SUSPENSION, BANNING AND TRESPASS	
Type: <input type="checkbox"/> Policy <input checked="" type="checkbox"/> Procedure	Authority: <input type="checkbox"/> Council <input checked="" type="checkbox"/> Administrative	Approved By: <input type="checkbox"/> Council <input checked="" type="checkbox"/> Chief Administrative Officer <input type="checkbox"/> Department Head

Date Adopted: November 19, 2012		Date to be Reviewed: November 2014	
Manner Issued: Pipeline, Email			

PURPOSE:

The purpose of the Suspension, Banning and Trespass Procedure is to provide tools to District staff to ensure safe community facilities, both indoor and outdoor, within the District of Mission. The Suspension, Banning and Trespass Procedure gives staff the authority to ask an individual to leave a program, location or District-owned or -managed site when displaying inappropriate, disruptive, or aggressive behavior that threatens the security/safety of staff, participants, residents, visitors and/or property. Depending on the severity of the behavior, staff may choose to suspend, ban or issue a Trespass Notice.

PROCEDURE:

1. Definitions

"Staff" means employees of the District.

"District" means the District of Mission.

"Suspension" means an individual is prohibited from access to a program and/or facility for a specified period of time (short-term). The length of a suspension is at the discretion of staff, usually a few days, but no longer than a month in duration.

"Banning" means an individual is prohibited from entering a facility and/or program for a longer period of time. Full-time staff must notify their supervisor before a ban is put in place. The length of a ban is more than a month and could be up to a year. Once the ban is over, the individual (and guardian in the case of a minor) must request a meeting with the Director (or their alternate) and seek permission to return to the program and/or facility.

"Trespass" means a more serious incident has occurred (e.g. theft, violence, assault, weapons, substance abuse, etc.) and a Trespass Notice may be issued. Only a Supervisor, Manager, Deputy Director or Director, in consultation with program/operations staff, may issue a Trespass Notice. A Trespass Notice involves filing a report with the RCMP, which prohibits access of an individual to specific programs and/or facilities for a specified period of time, in accordance with provisions in the "Trespass to Property Act". A Trespass Notice

SUSPENSION, BANNING AND TRESPASS
PC-LAN.05

will only be lifted upon request by the individual (and guardian in the case of a minor), a meeting with District staff and the support of the RCMP.

2. Procedures

Staff encountering behavior that requires suspension, banning or issuing a Trespass Notice from a facility or program must follow these procedures:

2.1 Issuing a Suspension, Ban or Trespass Order

- Once an individual is identified as being disruptive and/or dangerous, the staff in the immediate area should seek assistance from other staff;
- If required, call 911 and/or security;
- Staff need to be sensitive to any extenuating circumstances and consider each individual situation, including persons with disabilities/special needs. During the initial intervention, it is imperative that staff consult with the supervisor, security personnel, the parent/guardians and other appropriate staff when making decisions;
- Staff should not try to intervene in a fight or handle the situation on their own;
- The individual causing the problem should be verbally notified of their misconduct. If the conduct does not stop immediately, they should be asked to leave the premises;
- Staff will issue a written suspension, ban or Trespass Notice as soon as possible after the individual is asked to leave the program and/or facility;
- When dealing with a youth, a parent or legal guardian must be notified; and
- Staff are required to seek approval from the Deputy Director or Director prior to issue of a Trespass Notice.

2.2 While Suspended from District of Mission Facility or Property

- If the individual does not abide by the decision of staff, additional action may be required in consultation with the Deputy Director and/or Director of the Department;
- If an individual violates the suspension, ban or Trespass Notice staff are authorized to call security and/or the RCMP;
- If staff suspect that the individual is carrying a weapon, they should call the RCMP and ensure that everyone in the area is safe. DO NOT APPROACH;
- All District-owned and -managed facilities and/or program locations should be informed of individuals who have been issued a Trespass Notice and a copy of the documentation should be placed in an office or secure area beyond view of the general public;
- When serving an individual with notification of a suspension, ban or Trespass Notice, ensure that the details are clear and included on the Suspension, Ban, and Trespass Notice form; and
- All incidents leading up to a suspension, ban or Trespass Notice must be clearly documented on the District of Mission Incident Report form.

SUSPENSION, BANNING AND TRESPASS
PC-LAN.05

2.3 Withdrawal of Suspension

- At the end of a suspension, ban, or trespass order, the individual (and guardian in the case of a minor) may contact the Parks, Recreation & Culture Department to arrange a meeting to seek approval before being allowed back into the District program and/or facility;
- Prior to the meeting, a written application must be made on the District of Mission Request for Withdrawal Form;
- Following receipt of the Request for Withdrawal Form and a meeting with District of Mission staff, a decision may be made to allow re-admission to the facility on a trial basis or withdrawal of the order;

Dear John Doe

Re: Jane Doe's Behavior at the Mission Leisure Centre

As you may be aware Jane has displayed inappropriate conduct while at the Mission Leisure Centre and was involved in an incident that confined a patron in a Hockey office and has continued to ride a scooter inside the building on multiple occasions. John was also involved in an incident of forcible entry and vandalism towards the Mission Leisure Centre building (Arena).

Subsequently the RCMP was contacted, file #2017-11241. In accordance with our banning and suspension policy and procedure we are issuing a six month suspension of Jane's user privileges effective Sept 18, 2017 – Mar 18, 2018. Thus, Jane will not be welcome at the Leisure Centre or on the Leisure Centre grounds, during this period.

Before return, it will be necessary that Jane, along with a parent/guardian, meet with a Program Coordinator to review our Code of Conduct and discuss expectations around behavior at our facility. This meeting can be scheduled any time after March 18, 2018.

We are aware of the positive influence the Leisure Centre can have on young people in our community and disciplinary action is not taken lightly. However, patrons of all ages are expected to treat the facility, its staff, and other patrons with respect. Disrespectful behavior will not be tolerated and it is my sincere hope that Jane will take this opportunity to contemplate their actions and the resulting consequences.

Should you have any questions, I can be reached at 604-820-5369.

Sincerely,

Amanda Tesluck
Program Coordinator of Parks, Recreation & Culture
