Hi Chris

As earlier discussed Taseko Timber is selling its 548 Cat Road builder to be replaced with a Cat 558 log loader.

2022 Caterpillar 548 FM serial no CAT00548JSFZ00153.

Comes with Weldco Beales thumb, Q/C & 44" dig bucket Cat FAS lugging which is what you have so all of your attachments will fit this machine.

The machine has extended Hydraulic Power train warranty which expires April 11/2025.

Selling price \$435,000.00 CDN

Let me know if you require any other information. Thanks Doug
