Name of individual(s) or group / organization: Individual(s) making the presentation
Opening Nite Theatre Society/ Camille Atebe

Address: 33223 Railway Avenue

Subject of the presentation: To inform council of the work that ONTS does in the community, to update them on the current situation with Opening Nite's space, and to encourage council to move more quickly on the building of civic arts spaces.

Action requested: That council continue to help us to find and establish a performing arts space in Mission that would benefit Opening Nite Theatre Society as well as other groups such as Mission Folk Fest, and independent performers, musicians and lecturers who have a huge need for an appropriate theatre venue.

Reason for making the request: Due to a change in rules, the small black box theatre we established and have run without incident for 18 years is being shut down as a performance venue, and building upgrades will need to be done to continue using it as a rehearsal and storage space.
