Building design, siting and landscaping plans to be as shown on **Attachment 1** inclusive, and landscape drawing which are attached hereto and form part of this permit.

Minor changes to the aforesaid drawings that do not affect the intent of this Development permit and the general appearance of the buildings and character of the development may be permitted, subject to the approval of the Municipality.

4.

(a) The said lands shall not be built on and no building shall be constructed, installed or erected on the subject property, unless the building is constructed, installed or erected substantially in accordance with development plans on **Attachment 1** inclusive, prepared by Jordan Kutev Architect inc (hereinafter referred to as "the plans"), unless approval in writing has been obtained from the Municipality to deviate from the said development plan.

(b) Access to and egress from the said lands shall be constructed substantially in conformance with the plans.

(c) Parking and siting thereof shall substantially conform to the plans.

(d) The following standards for landscaping are imposed:

(i) All landscaping works and planting materials shall be provided in accordance with the landscaping plan and specifications thereon, which form part of this permit and is attached hereto as Drawing Number L1-L5 prepared by pmg landscape architects

(ii) All planting materials provided shall be able to survive for a period of one (1) year from the date of the site approval by the Municipality.

5. As a condition of the issuance of this development permit, the Municipality must have in its possession, prior to issuance of a building permit for this development, security as set out below to ensure satisfactory provision of landscaping in accordance with the terms and conditions as set forth in Clauses 5 (b) and (c) below. It is acknowledged that, at the time of issuance of this development permit, the municipality does not have such security in its possession. Any prospective purchaser or developer should be aware that this requirement will need to be fulfilled prior to issuance of a building permit for the development outlined in this permit.

(a) An Irrevocable Letter of Credit in the amount of \$323,451.75 for the purpose of:

(b) A condition of the posting of the security is that should the Permittee fail to carry out the works or services as herein above stated, according to terms and conditions of this permit within the time provided, the Municipality may use the security to complete these works or services by servants, agents or contractors, and any surplus shall be paid over to the Permittee. If the security deposit is insufficient to cover the actual cost of completing the said works, then the Developer shall pay such deficiency to the Municipality immediately upon receipt of the Municipality's bill for same.

- (c) The Permittee shall complete the landscaping works required by this permit within six (6) months of the occupancy permit being issued for the building(s) / addition. Within this six (6) month period, the required landscaping must be installed by the Permittee, and inspected and approved by the Municipality.

If the landscaping is not approved within this six (6) month period, the Municipality has the option of continuing to renew the security until the required landscaping is completed or has the option of drawing the security and using the funds to complete the required landscaping. In such a case, the Municipality or its agents have the irrevocable right to enter into the property to undertake the required landscaping for which the security was submitted.

If the landscaping is approved within the six (6) months or thereafter in accordance with the preceding paragraph, without the Municipality having to draw the security, 90% of the original security will be returned to the Permittee.

A holdback of 10% of the original security will be retained until a final inspection is undertaken within 12 months of the date of the original inspection approval was given to the landscaping. If the landscaping receives approval at final inspection, the 10% holdback will be returned to the Permittee. If, after the final inspection, approval of the landscaping is not given, the Municipality has the option of continuing to renew the security until the required landscaping is approved or has the option of drawing the security and using the funds to complete the required landscaping. In such a case, the Municipality or its agents have the irrevocable right to enter onto the property to undertake the required landscaping for which the security was submitted.

6. The land described herein shall be developed strictly in accordance with the terms and conditions and provisions of this permit and any plans and specifications attached to this permit shall form a part hereof.
7. This permit shall lapse if the Permittee does not substantially commence the construction of the first phase of a phased development permitted by this permit within two (2) years of the date of this permit.
8. The terms of this permit or any amendment to it, are binding on all persons who acquire an interest in the land affected by this permit.
9. This permit is not a building permit.
