To Whom it may concern

The subject property **7758 wren st. mission bc V2v3c4** we bought this property as it is on April 20th 2021. In this property there is detached garage build in 2007. That requires a variance permit. According to bylaw setback for this garage should be 1.44 meter from side line but it is 1.16 meter (build in 2007). We need variance for 28 cm only. We did attached Land survey with application to explain better. We kindly request that please provide us variance permit. If you have any question please feel free to contact us: 1604 [REDACTED] or email [REDACTED]@gmail.com
