

## DEVELOPMENT SERVICES

COMMENTS RECEIVED		Project: P2019-094
Comments:	<p>The site is located within the District's Natural Environment Development Permit Area, please follow <a href="#">Official Community Plan</a> (OCP) guidelines (see OCP Sections 9.7.7 and 9.7.8). Identify, retain and protect significant trees, if it is safe to do so.</p> <p>Please have a QEP prepare an noxious weed assessment, specifically for the four knotweed species and giant hogweed, as per OCP Section 9.7.10 and Section 9.16 of the <a href="#">Development and Subdivision Control Bylaw 5650-2017</a>.</p> <p><u>Do not remove trees or other vegetation or disturb any soil before providing the requested studies for District staff evaluation.</u></p>
