**SUBJECT:** **Resolutions Released from Closed Council – April 19, 2021 Closed Meeting**

This report is being provided for information purposes. Council action is not required.

At the April 19, 2021 Closed Council meeting, the following information was released from Closed Council, pending notification of the recipient:

Community Excellence Award

Hitomi Gilliam was selected by Council to receive the first ever Community Excellence Award in recognition of outstanding achievement in floral design, having earned national and international recognition at competitions, festivals and events worldwide. She has published 4 books and given back to the floral design industry through teaching and mentorship.

The Community Excellence Award was created by the Cultural Resources Commission in 2017 and was established to honour Mission residents, past or present, who excel outside of sports or volunteerism (as these accomplishments are already recognized through the existing Sports Hall of Fame and Community Volunteer Awards respectively). The Excellence Award winners are provided with a unique medallion and will be recognized on a page on the District website.
