

City of Mission

Proclamation

City of Mission Council Resolution - March 21, 2022

- WHEREAS** The Month of May, has been internationally designated as "GBS and CIDP Awareness Month" to educate the public and to focus attention on Guillain-Barré Syndrome (GBS) and Chronic Inflammatory Demyelinating Polyneuropathy (CIDP), rare, paralyzing and potentially catastrophic disorders of the peripheral nerves; and
- WHEREAS** Guillain-Barré Syndrome (GBS), Chronic Inflammatory Demyelinating Polyneuropathy (CIDP), and their variants such as Multifocal Motor Neuropathy (MMN), are rare conditions which are paralyzing and potentially catastrophic inflammatory disorders of the peripheral nerves, which can be characterized by rapid onset of weakness and, often, paralysis of the legs, arms, breathing muscles and face, in some cases leading to complete paralysis and requiring life-sustaining hospital care; and
- WHEREAS** the cause of GBS, CIDP, and MMN is unknown, and these conditions can develop in any person, regardless of age, gender or ethnic background; and
- WHEREAS** GBS, CIDP, and MMN have a slow and unpredictable recovery, patients and their families face an uncertain future, usually requiring months of hospital care without knowing if or when they will recover, or whether they will face long-term disabilities. Earlier diagnosis, treatment, and access to rehabilitation services can improve the chances of avoiding permanent lifelong residual damage of the nerves; and
- WHEREAS** in 2003, GBS/CIDP Foundation of Canada, a patient organization providing support, education, research, and advocacy, was founded so that no patient or family would go through GBS, CIDP, MMN or their variants alone.

Be it resolved that the City of Mission hereby proclaims May 2022 as

“GBS/CIDP Awareness Month”

IN WITNESS WHEREOF this 21st day of March, 2022

MAYOR PAUL HORN

CORPORATE OFFICER
