4. That the agenda for the Regular Council Meeting of June 6, 2022 be adopted as amended.

CARRIED

## 3. **DELEGATIONS**

### **a. Business Empowerment Ambassador Program**

Members of the Business Empowerment Ambassador Program (BEAP) appeared before Council to discuss their work in the local community. They described their efforts to improve relations between homeless and housed people by restoring areas back to their original condition and their focus on creating a sense of community and purpose for non-housed community members.

Discussion ensued, and members of BEAP answered Council's questions in regards to funding sources, community clean up schedules, outreach opportunities, and debris disposal. Mayor Horn thanked members of BEAP for their work in the Mission community and encouraged them to compile a funding proposal for the upcoming municipally funded grants and fee for service intake.

### **b. Jennifer Field, Hatzic Bench Community**

Jennifer Field, representing the Hatzic Bench Community, appeared before Council to discuss the proposed location for pickleball courts at Hatzic Middle School. She provided a PowerPoint presentation that highlighted the community's concerns regarding court quality, parking, and noise. She shared a petition from local area residents opposed to the installation of the pickleball

courts and asked the municipality to consider locating the pickleball courts at the Wren Park tennis courts.

In response to questions from Council, the Manager of Parks and Facilities stated that staff were currently considering the existing tennis courts at Heritage Park Middle School as the preferred location for a pickleball hub as the courts at this location are located further away from residential areas.

The Mayor stated that staff would be bringing forward a report regarding the proposed changes at a later date. He noted that while the Pickleball Club was looking to designate an area as a hub for pickleball, the sport could still be played at any tennis court in the community.

#### **4. PRESENTATIONS**

##### **a. BC Transit Annual Performance Summary**

Rob Ringma, Senior Manager, Government Relations at BC Transit, provided a presentation that included information regarding ridership and service, technology and performance improvements, labour challenges related to COVID-19, and details on the Annual Operating Agreement.

Discussion ensued, and Mr. Ringma answered Council's questions in regards to service hours, service expansion to Silver Creek Industrial Park, and BC Transit's future plans for a secondary east-west route north of the Fraser River.

#### **5. PROCLAMATIONS**

##### **a. Longest Day of SMILES®**

###### **RC22-250**

Seconded by Councillor Plecas

RESOLVED:

That June 19, 2022 be proclaimed as "Longest Day of SMILES®" within the City of Mission.

CARRIED

##### **b. Fraser Valley Pride Week**

###### **RC22-251**

Moved by Councillor Davies

Seconded by Councillor Gill

RESOLVED:

That July 9 - 16, 2022 be proclaimed as "Fraser Valley Pride Week" within the City of Mission.

CARRIED

## **6. PUBLIC HEARINGS**

### **a. Public Hearing Notice for June 6, 2022**

### **b. Zoning Amending Bylaw 6086-2022-5949(60)**

The purpose of proposed Zoning Amending Bylaw 6086-2022-5949(60) is to rezone the following properties from the Commercial Tourist Recreation (CTR) Zone to Mixed-Use Commercial/Residential Two (MU2) Zone to allow a mixed-use development consisting of two five-storey buildings comprised of 123 residential units and 4 commercial units:

#### Addresses

lots 5, 6 & 7, the west 13 ft of lot 3, 32822 1st Avenue

32805, 32809, 32811, 32819, 32825, 32829, 32835 View Avenue

7288 Wardrop Street

The subject properties are legally described in Appendix 1 of proposed Zoning Amending Bylaw 6086-2022-5949(60).

The Mayor opened the public hearing.

The Manager of Planning showed a PowerPoint presentation that provided the following information:

1. Purpose and outline of the proposal.
2. Subject property map.
3. Proposed variances to the Zoning Bylaw.
4. Renderings of the building's exterior.
5. Distance to local parks.
6. Results of the Traffic Impact Assessment.

The Corporate Officer stated that one letter had been received, expressing concern regarding lack of parkland in the area, environmental sustainability, and lack of affordable rental units.

The Mayor opened the floor to the public for questions and comments.

Lauren Gray, Mission, expressed concern regarding the impact to existing views for residents of 3rd Avenue, the impact to local property values and property taxes, increase vehicular traffic and pedestrian safety, removal of trees and green space, and disruption during construction. She asked that dust mitigation measures be adhered to during construction and provided Council with a copy of a petition signed by local residents opposed to the proposed height variance.

In response to questions from Council, the Manager of Planning stated that the proposed building height was 17 metres, well below the grade at 3<sup>rd</sup> Avenue, and would not impact sightlines. He noted that sidewalks and road improvements

would be required on all four frontages surrounding the property and that dust mitigation and hours of construction were regulated requirements.

The Director of Finance stated that a recent study by BC Housing had found that new development did not create a noticeable impact to surrounding property values or property taxation.

Peter Gong, Mission, expressed concern regarding adequate parking to accommodate the large influx of residents, the lack of accessible green space, and lack of affordable and subsidized housing options in the area. He noted the development did not address the need for affordable housing in Mission.

Earl Babich, Mission, expressed concern that the proposal was not the best use of the property given its proximity to downtown and the municipality's forecasted population growth. He described alternate development ideas for the parcel that would maximize greenspace. He expressed further concern regarding the lack of affordable housing in Mission and questioned why the developer had not utilized density bonusing.

Amy Carter, Mission, expressed concern in regards to the loss of green space and the development's suitability considering the existing community character. She asked for clarity regarding the number of trees to be replanted. She expressed further concern in regards to the impact of the development on local infrastructure, including roads and schools, and the loss of views due to the proposed height of the building. She questioned the necessity of the proposed variances.

In response to questions from Council, the Manager of Planning noted that trees would be replanted along the perimeter of the development as well as in the internal courtyard. He noted that the proposed height variance was 4 metres and was primarily due to the grade difference between 1<sup>st</sup> Avenue and View Avenue. He noted that the provision of green walls was not currently in the City's Development Permit guidelines.

Brenda Lavalley, Mission, expressed concern regarding the removal of trees and green space and the impact on the environment. She described the benefits of retaining green spaces and asked if living walls or green growth could be incorporated into the design.

Robin John Hughes, Mission, stated his support for the proposed development, but expressed his concern for existing residents with regard to parking and increased traffic.

Hearing no further questions or comments, the Mayor declared the Public Hearing for City of Mission Zoning Amending Bylaw 6086-2022-5949(60) closed.

**7. RESOLUTION TO RESOLVE INTO COMMITTEE OF THE WHOLE**

**RC22-252**

Moved by Councillor Herar

Seconded by Councillor Hamilton

RESOLVED:

That Council now resolve itself into Committee of the Whole.

CARRIED

**8. PARKS, RECREATION AND CULTURE**

**a. Fraser River Heritage Park – Gazebo Repair**

A report from the Manager of Parks and Facilities dated June 6, 2022, seeking Council approval for additional funding in order to repair the Gazebo in Fraser River Heritage Park, was provided for the Committee's consideration.

**RC22-253**

Moved by Councillor Davies

RECOMMENDED:

1. That the repair of the Fraser River Heritage Park Gazebo be approved and funded through the Insurance Reserve Fund in the amount of \$50,000; and
2. That the City's Financial Plan be amended accordingly.

CARRIED

**b. Late Item - Community Special Event Request**

**RC22-254**

Moved by Councillor Plecas

RECOMMENDED:

That the Fraser Valley Pride Festival event of July 16, 2022 be declared a Community Special Event for the purposes of securing a Special Event Permit from the Liquor and Cannabis Regulation Branch.

CARRIED

**c. Pierre Richez - Executive Director, Fraser Valley Youth Society**

Council received a letter dated May 30, 2022 from the Executive Director of the Fraser Valley Youth Society requesting Council consider flying the Progress Pride Flag at Mission City Hall and Fraser River Heritage Park during Fraser Valley Pride Week, which will take place from July 9 to 16, 2022.

**d. Progress Pride Flag**

Councillor Herar introduced his motion to Council and provided his rationale.

Discussion ensued, and staff answered the Committee's questions in regards to the flags flown at Municipal Hall and the City's Flag Etiquette Policy. Members of Council expressed concern regarding deviating from the City's Flag Etiquette Policy.

Moved by Councillor Herar

Seconded by Mayor Horn

RECOMMENDED:

That the Progress Pride Flag be flown at City Hall and Fraser River Heritage Park, or alternatively just at City Hall, during Fraser Valley Pride Week July 9 to 16, 2022.

**RC22-255**

Moved by Councillor Gill

RECOMMENDED:

That staff review the City's Flag Etiquette Policy (ORG.06) and report back to Council.

OPPOSED (1): Councillor Herar

CARRIED (6 to 1)

Staff were directed to display the Progress Pride Flag at the Leisure Centre during Fraser Valley Pride Week, July 9 to 16, 2022.

**9. ENGINEERING AND PUBLIC WORKS**

**a. Transportation Master Plan**

A report from the Senior Infrastructure Planning Engineer dated June 6, 2022, seeking endorsement of the proposed Transportation Master Plan, was provided for the Committee's consideration.

The Senior Infrastructure Planning Engineer provided a presentation that included information regarding work on the plan to date, the guiding principles of the plan, the vision for transportation in Mission by 2050, and the implementation of the plan upon receiving endorsement from Council.

**RC22-256**

Moved by Councillor Plecas

RECOMMENDED:

That the Transportation Master Plan "Mission Mobility 2050" be endorsed.

CARRIED

**b. Utility Master Plan**

A report from the Senior Infrastructure Planning Engineer dated June 6, 2022, seeking endorsement of the proposed Utility Master Plan, was provided for the Committee's consideration.

The Senior Infrastructure Planning Engineer provided a PowerPoint presentation that included information regarding water, sanitary sewer, and drainage capital projects over the next 20 years; risk assessment of existing water, sanitary sewer, and drainage infrastructure; budgets for required utilities expenditures; and the next steps towards implementing the Plan.

**RC22-257**

Moved by Councillor Herar

**RECOMMENDED:**

That the Utility Master Plan be endorsed.

**CARRIED**

**c. State of Mission's Dikes**

A report from the Planning Engineer dated June 6, 2022, regarding the flood protection systems under the municipality's jurisdiction, was provided for the Committee's information.

The Planning Engineer gave a PowerPoint presentation that provided an overview of the floodplain throughout Mission, freshet and design levels, details and deficiencies of specific floodplain areas, the impacts of the November 2021 atmospheric river event, recent studies and plans addressing the local flood risk, and prospective future plans and next steps.

**RC22-258**

Moved by Mayor Horn

**RECOMMENDED:**

That staff connect with the Fraser Basin Council to find out what the province intends in terms of a provincial diking and drainage strategy, and with the local MLAs to ask them to advocate for a strategy that includes planning and funding at the municipal level.

**CARRIED**

Staff were directed to schedule a Council workshop regarding diking and drainage strategies.

**d. Funding Request for the 7th Avenue Greenway Project Phase 1**

A report from the Manager of Engineering Planning and Assets dated June 6, 2022, seeking additional funding for Phase 1 of the 7th Avenue Greenway Project, was provided for the Committee's consideration.

**RC22-259**

Moved by Councillor Plecas

**RECOMMENDED:**

1. That the budget for the 7th Avenue Greenway Phase 1 project (between Fraser River Heritage Park and Grand Street) be increased by \$740,467 with \$356,400 funded from the Roads (all areas) DCC, \$3,600 from the Roads Capital Reserve and \$380,467 funded from the Community Works (Gas tax) Reserve; and
2. That the City's Financial Plan be amended accordingly.

**CARRIED**

#### **RC22-266**

Moved by Councillor Gill

#### RECOMMENDED:

1. That Council approve a capital expenditure of \$748,496 towards the purchase of a new excavator for the Forestry Department;
2. That \$100,000 of this expenditure budget is transferred from the existing capital excavator upgrade works project;
3. That the remaining funding of \$648,496 be taken from the Forestry Reserve; and
4. That the Financial Plan be amended accordingly.

#### CARRIED

### b. Forestry Operations 2022 Quarter 1 (Q1) Report

A report from the Director of Forestry dated June 6, 2022, providing a summary of the first quarter financial results for the forestry operation, was provided for the Committee's information.

The Director of Forestry provided an overview of the City's forestry operations during the first quarter of 2022. Discussion ensued, and the Director of Forestry answered the Committee's questions in regards to sustainability and public engagement.

In response to questions from Council regarding Correspondence Item 18(a), the Director of Forestry described the differences between Tree Farm Licenses (TFLs) and Community Forest Agreements (CFAs) and noted that the municipality's tree farm license pre-dated the creation of CFAs by several decades. He stated that TFLs currently pay significantly higher rates than CFAs, but that the Ministry of Forests was no longer considering any new Community Forest Agreements due the risk of triggering legal action from the U.S. Lumber Coalition. He stated that the Forestry Department was working in collaboration with the provincial Timber Pricing Branch to obtain specific cost allowances for Mission's TFL and expected some new allowances to be in place by 2023. He stated his support for the resolution from the City of Powell River, but noted it would not have an impact on Mission's TFL.

**13. RESOLUTION TO RISE AND REPORT**

**RC22-267**

Moved by Councillor Davies

RESOLVED:

That the Committee of the Whole now rise and report.

CARRIED
